PixAlign Camera Promotion

Projectors

Program Overview

Purchase two (2) of Epson's High Brightness PixAlign Cameras for the price of one.

The PixAlign ELPEC01 makes achieving sophisticated projection applications easy. Built for use with select Epson interchangeable lens projectors¹, the camera provides access to powerful projection tools that help speed up and simplify projector color calibration and geometric correction adjustment. Ideal for installations with multiple projectors, the PixAlign camera facilitates accurate color matching across networked projectors.
